

Pavel Butyagin

Why am I even
doing this?

Endless group work,
sprints, retrospectives...

Is this school or
a startup simulator?

Because out
there, companies
don't care if you memorize
definitions

they want people
who can build
solutions fast and
adapt faster

..... With LEGOs?

A S + en 2 years

You led 4 Agile projects
with international teams? You're hired! Actually... wanna lead
the team

Maybe
all those sprints
were hit
